At last month's meeting those in attendance passed a motion to purchase a new refrigerator if and when our present one fails us. This was recommended by our repairman who got us running in April. The old one is over 40 years old and as he said it was very tired. This purchase will be made when the old one quits. By passing this now the Treasurer will put a hold on this money so that when the time comes we will be able to purchase it. We have gone through several used ones and with energy costs and use the used market is not good. This will be a minimum of inconvenience to the club and rentals.

We have a cruise coming up to Middle Bass Island State Park Marina. This is without a doubt the finest marina on the lake. The docks are great and Walleyes has remodeled to take care of the increased traffic. I would like to meet with all that are going after the next meeting. We will plan our Labor Day weekend and maybe even travel together. I will bring my gas blender and we will have non-alcohol drinks on the dock on Saturday afternoon.

When PC Gerry Coleman calls on you for nominations for office, please consider giving of your self because The Club "needs you".

See you there

The optimist is wrong as often as the pessimist. But he has more fun.

**Secretary's Note: Those of you who are in charge of a Club Function, i.e. Steak Fry, Clambake, etc. PLEASE send me the flyer or info ASAP so I don't hold up the Bilge. My personal email is: [ldzcioabella@yahoo.com](mailto:ldzcioabella@yahoo.com)**

## Vice Commodore's Report

Wow it September already. The boating season is winding down and the fall fishing season is starting up. I know I said last month we would replace the screen doors in a few weeks. Well we decided to wait until after the Clam Bake. October 16 is our fall work party. Hopefully, we will have decent weather and a few members will show up to help. The work party runs from 9 to noon. In the fall we put everything away and trim up the trees and bushes again. A more detailed list will be in next month's bilge
