Commodore's Corner

Summer is almost over and fall will soon be here. The summer went by much too fast for me.

I want to thank Sam Mazzola for all his endless hours of help in getting a new refrigerator for the club. Also, for driving into Cleveland and picking up the bolts so we could get the doors back up. Thanks also to Lee Barnes, Jerry and Sandy Schaeff, Lynn and Joe DiMarco, Jerry Coleman, Gary Dickinson, Bob Weisert, Sam Mazzola and Harry for their help in removing the old refrigerator and cleaning the area in preparation for the arrival of the new refrigerator.

Thanks to Linda Zanni for washing the new refrigerator and to Lynn DiMarco for helping me get all the items back into it.

Thanks to Tom and Chris Raszka for planning the great trip to Middle Bass Island. I know that everyone who went had a great time. The Middle Bass Island Yacht Club is beautiful and the members were very nice. However, I am sure that Tom and Chris will think twice before accepting a ride on a golf cart with our family again!

The Steak Fry is now history. The attendance was good and everyone had a good time. Thanks Ken for a good job. Ken will be giving his report at the September 9th meeting. Our next event will be the Clam Bake on September 10th. Look for the flyer in this bilge and make your reservations.

Our next meeting will be on September 9th beginning at 6:30 with dinner. Our hosts and hostesses will be Sam and Kathy Mazzola and new members Carolyn and Ken McDowell. Please plan to attend both the dinner and the meeting at 7:30. Anyone available to help Jay set up for the Clam Bake on Saturday please plan on staying for awhile.

Hope you all received your letter in the mail and have given Lee Barnes a call as to when you can help with the waterline. It will take all members' help to get this project done. I am looking forward to working with all of you. Thanks once again for all your support and help during these difficult times.

Commodore Sue and Prince Consort

ATTENTION: The waterline project has been put hold per Bill Schaefer's request to wait til after the Labor Day weekend. So we will start again on Tuesday, September 6th at 9 a.m. But come when you can.

FLASH: Sam Mazzola has Entertainment 2012 Books for sale. The cost is \$30.00 with over hundreds of dollars in coupons. So support the boat club and order yours today. Sam's number is: 440-871-4059.

Vice Commodore's Report

Greetings BCBC. I guess we can all tell by the cool nights that summer is coming to an end. I hope everyone had time to enjoy it while it was here. By now you should all know we have our waterline project going on. The start of the digging was put off until Sept. 6th at the request of the marina because of the holiday. They should be starting around 8 or 9 in the morning. there will be work to do in the evening also. We owe a big thanks to John O. for taking the lead on this job and getting all the materials and help lined up.

We also have our Commodore and Sam Mazzola to thank for replacing our fridge. The new one is in and working great. We can't drill holes in it for the beer taps yet because it will void the warranty. For now we will be providing can beer in the fridge.

Hope to see you all at the next meeting and clam bake.

See you, I hope!!!"

FLEET CAPTAIN REPORT
BY ACTING F.C. TOM RASZKA

Editor's note: Evidently Tom had such a good time he decided to go with, "WHATEVER HAPPENS ON MIDDLE BASS, STAYS ON MIDDLE BASS". But from what I heard, the MBYC is absolutely beautiful and everyone that went had a great time. The final count was 7 boats.
